

Mini Quiz 15

Name: _____

Kerberos: _____

Consider the following method declaration:

```
int foo(int x) {  
    int i = 0;  
    if (x == 1) {  
        while (i < 5) { i++; x++; }  
    } else { i = -1; }  
    if (bar() && baz() > 5) { return 2; }  
    return 3;  
}
```

Q: Draw a Control Flow Graph (CFG) for the above code:
