Mini Quiz 11

Name: _____

Kerberos: _____

Q: Using the representation discussed in class, construct the symbol table for the following class:

```
class foo {
    bool x;
    int y;
    void bar(int a) {
        int i = 1;
        y += a + i;
    }
}
```
